COMMANDER'S REPORT

Marge Maciag, SN

Fall has arrived and things are getting busy! Our boating groups are still active and on the water. See Jill's article for [October dates](#) and further details. Our Entertainment Committee just presented a Jeopardy Game Show and Dinner that was well received by all. Look at the pictures and you'll see the fun they had! Our Co-Op Charting group and Vessel Safety Examiners are active and staying strong. If you want to join any of these groups, look on p. 2 for contact information.

Wondering what else is coming up in October? Glad you asked. To start with, there's our Flare Shoot Demonstration on Tuesday, [2 October](#) at the Cape Coral Yacht Club. See the flyer in this issue. Next is the District 22 Conference on Saturday, [6 October](#) in Punta Gorda. The Education Department is providing you with opportunities to learn something new and practice your skills. SAIL, Navigation and CPR classes are all coming up soon. See Bob Meier's article for more information. Be sure to SAVE THE DATE: [Thursday, 11 October](#) for our General Membership Meeting. It starts at 1900 (7pm) with a brief business meeting, then we're grabbing our putters for a round of indoor Putt-Putt Golf designed by our own members in Room 101. Don't forget to come early @ 1800 (6 pm) for our Lite Bites prepared by Capt. Betti and Capt. Seaby. Yummy tacos, drinks and dessert all for just \$5.00.

Have you earned your Merit Mark yet? If not, here's an opportunity to volunteer and help your squadron! It's time to sign up for Oktoberfest, which takes place [19-21 October](#) and [26-28 October](#). See the Executive Department Report for more information. Merit Marks are due so please get involved and don't miss your chance to earn a merit mark this year. There are lots of ways to contribute. Besides the activities already mentioned, you can lend a hand to our building and rental committees. I know that Rick Clements (building) and Ralph Cobourn (rental) would welcome your help. Last, but not least, you can attend the District C&R by boat or car. It will take place in Ruskin at the Inn at Little Harbor, [31 October - 3 November](#). This is always a lot of fun. You can meet members from other squadrons. See the flyer for more details. If you have questions about any of these events, stop by the office or give me a call @ 239-471-0101. You can also e-mail: margem5@msn.com

Executive Department

EXECUTIVE DEPARTMENT REPORT

Lt./C Steve Parris, S

WE NEED YOUR HELP!! Oktoberfest runs the last 2 weekends of October. That's a total of 10 shifts with 8 people per shift. Please consider joining this group of volunteers. An e-mail can be sent to you with directions and details. The shifts are listed below. Contact margem5@msn.com for more information.

Fri. 19th: 4:00 – 8:00 Sat. 20th: 12:00 – 4:00 ; 4:00 – 8:00 Sun 21st: 12:00 – 3:30 ; 3:30 – 7:00
Fri. 26th: 4:00 – 8:00 Sat 27th: 12:00 – 4:00 ; 4:00 – 8:00 Sun 28th: 12:00 – 3:30 ; 3:30 – 7:00

Thanks in advance for your support!

Education Department

Hot News: CPR & AED

It has been a long time coming but on Sept 25th we had our first CPR and AED training. This program was attended by the Executive Board. In October it will be open to our membership and based on participation will continue through the 2018 -2019 season. The Next class is scheduled for Tuesday Oct 23rd 9am till noon. This service is provided to us at no cost, but we are asking for a \$5 donation to cover the cost of our facility, refreshments, and baked goods. The class will be approximately 3 hrs normally from 9 AM to noon. The class will be limited to 24. Signup sheets will be available at the October general meeting or call the office. Certification cards will not be issued (a card never saved anyone but training does).

Hope to see everyone at our Flare Shoot Safety Demo at the Cape Coral Yacht Club on Oct 2nd

From 6:30 PM to 8:30 PM Randy Headrick and Capt. Betti are the lead.

ABC class's continue on a monthly basis Ted Dawson (Lead), Bill Harris and Tom Dawson (assist)

Seamanship started in September with classes on Monday/ Wednesday 7 to 9 PM Dan Patke (Lead)

Build boating confidence and competence for safe and fun on-the-water adventures. Seamanship provides a foundation of knowledge and skills in boat handling and maneuvering, boat operation, skipper's responsibilities, and boating techniques that will advance your boating enjoyment.

Junior Navigation is scheduled for October 1st

Subject matter includes:

- Precise time determination
- Use of the Nautical Almanac
- Taking sextant sights of the sun
- Reducing sights to establish lines of position
- Special charts and plotting sheets for offshore navigation
- Offshore navigational routines for recreational craft

Electronic and computerized offshore navigation

In Junior Navigation, the student will continue to use GPS as the primary position sensor, as they learned to do in Piloting and Advanced Piloting. However, the offshore environment poses many different elements for consideration by the Navigator. Ocean currents, wind, and sea condition, all affect a vessel's performance over the longer passages.

Also, visible terrestrial landmarks are no longer available to the navigator as reference points. In the Junior Navigation course, the student will learn to substitute celestial objects such as the sun as reference points. The course begins with the study of celestial navigation, teaching the student to take sights on the sun with a marine sextant and derive a line of position from that observation. Next, the student will apply the principles learned in Advanced Piloting, and plot a running fix from two sun sights taken about four hours apart. Once the student has learned the basics of celestial sight reduction, the course continues with planning, positioning, and checking one's position in the offshore environment, using both electronic and celestial tools.

SAIL OCTOBER 9 2018 7 to 9 pm**It has been a number of years since we offered this course. Capt. Seaby (lead instructor) has many years of sailing experience**

The course starts with basic sailboat designs and nomenclature, rigging, safety, and sail processes and then tackles the physical aspects of sailing forces and techniques sail applications, marlinespike, helmsmanship and handling of more difficult sailing conditions, navigation rules, and an introduction to heavy weather sailing. Appendices provide an introduction to sailboat racing and sailing in Canadian waters.

This new Sail course is a single volume Student and Instructor Manual (IM) developed in cooperation with the Canadian Sail & Power Squadron. Course instructional materials include material in Microsoft PowerPoint® format with embedded animations that require additional software to perform correctly

Course completion is documented by a closed book exam graded by USPS Headquarters.

Piloting**This course is offered Tuesday Oct 23, 7 to 9 PM Neil Pignatano Lead, (Jon Berning Assist)**

Piloting is the first course in the sequence of USPS courses on navigation, covering the basics of coastal and inland navigation. This course focuses on navigation as it is done on recreational boats today and embraces GPS as a primary navigation tool while covering enough of traditional techniques so the student will be able to find his/her way even if their GPS fails. The course includes many in-class exercises, developing the student's skills through hands-on practice and learning. Normally ten classes of two hours each are scheduled for presentation of this course. In addition the students have seven days to complete the open book exam. Topics covered include:

- Charts and their interpretation
 - Navigation aids and how they point to safe water
 - Plotting courses and determining direction and distance
 - The mariner's compass and converting between True and Magnetic
 - Use of GPS – typical GPS displays and information they provide, setting up waypoints and routes, staying on a GPS route.
 - Pre-planning safe courses and entering them into the GPS
 - Monitoring progress and determining position by both GPS and traditional techniques such as bearings and dead reckoning
- The "Seaman's Eye" – simple skills for checking that one is on course.

A number of us attended the District meeting educational seminar . Many changes are coming and we will keep posting those changes as they are implemented.

On-The-Water training Randy Headrick (lead) is gaining momentum if you are new or need a little refresher contact Randy see flyer in the Buoys.

A list of Advance and Elective classes is on the Power Squadron web site. If anyone is interested in taking one, please let us know and we will set up a class.

We are looking forward to another great year in education
SEO Lt. /C Bob Meier, SN

Administrative Officer

Lt./C Jill Berger, S

Administrative Officer report – October Buoys

Fall is officially here! That means we will be kicking into high gear with our social activities and boat outings. It also means we will be looking for people to help make these events fun for all. We are the largest of all the United States Power Squadrons, with over 500 members, so we should have plenty of hands on deck. Take a few minutes to check out my report below to see what's going on and where we need help, then grab your calendar and your computer or smartphone and sign up now to be part of the fun!

Member Involvement is needed to help with Oktoberfest! Each year we are invited to help direct cars to park at the Oktoberfest at the German-American club. For our efforts, the squadron receives \$3,000! Volunteers receive food and beer tickets and free admission to the Oktoberfest! The two weekends are October 19-21 and October 26-28, and the shifts are 3-4 hours, between noon and 8:00 p.m.

Please contact Steve Parris if you are able to help, 502-718-1636, or stevenparris@icloud.com.

Thank You to all who have already signed up.

Member Involvement is also needed for Lite Bites in November and beyond. Lite Bites is a simple meal served prior to our general meeting each month. As suggested, it is a lite, simple meal prepared and served by volunteers. There is a budget for the meal so it does not cost the hosts any money, only time. The club provides paper products. If you would be willing to host a Lite Bite meal, please contact Bev Parris, 502-876-8815 or bevparris629@gmail.com.

Fishing Group had an informative meeting in September regarding hurricane preparedness and active fishing spots. Also, Hank has added several neat posts to his Fishing Group Facebook page. Be sure to check out the big fish being caught, the newest alternative to a fishing boat, and the current efforts to support our Snook population. The next meeting is October 9, at 7 pm at which Hank will lead a discussion of fresh water canal and pond bass fishing, and members will share where fishable water can be found.

The Kayakers had a great outing on September 18. These pictures are a testament to the fun this group has together. They pick a location and rendezvous point, help each other launch their kayaks, paddle a while, then break for lunch and paddle some more. No experience required. If you want to get on the email list, contact Gary Brooks at guppy1942@embarqmail.com, 239-233-6716.

Weekend Boaters had to cancel their September outing. But they will meet on Monday October 8 to plan the outing on October 13. Come join this great boat-to-lunch outing.

Cruise and Rendezvous had calm seas for their September trip to Naples Boat Club. The location was a short walk to restaurants and shopping, and an easy bike ride to the beach and pier. The group had access to the pool and clubhouse at the marina. Vinny and Moe Gaccione hosted happy hour and hors d'oeuvres aboard Summer Breeze, which was out for her first overnight cruise.

The group will be going to South Seas resort on October 15. See the C&R calendar and registration information in the Buoys to join this overnight trip.

Also, Cruisers and Land Cruisers, it's not too early to sign up with Delores Buhner if you would like to bring your boat or just come by car and stay at the 'Tween Waters Inn for this year's Huge Christmas Event, December 4-6! 'Tween Waters Inn does a fabulous job of decorating the grounds with many thousands of lights and Christmas displays. All 23 slips in the Marina are reserved for the Squadron. We encourage boaters to decorate their boats. (You wouldn't want to receive the infamous "Boobie Prize" for not making some kind of an effort!) This year we will have 2 awards for the best decorated boats - 34 ft and above and 33 ft and below.

We have reserved space for our Pot Luck Dinner on the first night. On the second night we will go to restaurants. And Happy Hour is always at 5:00 PM each night.

To stay in the Inn, you must call and make your room reservations directly with the Inn (239-472-5161 or 1-800-223-5865) and tell them you are with the Cape Coral Power Squadron. Prices are reasonable. **Also, let Paul Moses know by e-mail if you are going ([holymoses25@gmail.com](mailto:holy Moses25@gmail.com)) so he can include you in the planning.**

Entertainment Committee

The Jeopardy event in September was another great success, thanks to the Entertainment Committee! The meal, catered by Fowler Street Grille, was delicious, as were the chocolate and white cakes that followed. Three pairs of contestants played Jeopardy, hosted by our very own Alex Trebek (Paul Moses). See pictures from this great event in the Buoys.

Our Entertainment Event in October will take place on the night of our General Meeting, which is Thursday, October 11th. We will not have a guest speaker. We will have Lite Bites and a brief meeting followed by a "Putt-Putt Golf" game designed by our members. Several of our small groups will sponsor themed holes, and Marge is the greenskeeper!. Don't miss this fun gathering!

If you would like to be a part of this party-planning group, contact Warren Maciag, 239-270-9328 or warrensm@msn.com. The group meets the first Tuesday of every month at 9:30 a.m. **Coming up!**

The October general meeting will be held on Thursday October 11 after Lite Bites and before the Putt Putt event. There will be no speaker.

Shrimp Boil Dinner

Friday, November 16th, 2018

Attitude Adjustment 1700
Dinner 1800
Only \$15.00 pp
Including Beer

Join us as the C&R Committee
hosts
our annual shrimp boil dinner.
Great boiled shrimp
FREE Beer
And much more
Right here at Squadron Harbor.

WELCOME.....

C&R, Weekenders, Kayak Group, Fishing Group, Scuba are groups within the Cape Coral Sail and Power Squadron. You don't need to join in the activities of just one group. You may have a day boat and figure that the C&R is only for sleep -aboard boats. Not true!!! There are some cruises where members stay in the available lodging such as 'Tween Waters, South Seas, Pink Shell. or drive over for the day. There are also monthly luncheons with the C&R just a short drive or take your boat. It's a great way to meet up with friends, learn the local waterways and try out some new restaurants.

The Weekenders usually have an informational meeting each month followed by a Saturday cruise to a local restaurant. Even if you don't have a boat, you can still attend the meeting and make sure you are receiving their email blast about the upcoming trip. You may drive your car to the restaurant or maybe able to go on someone else's boat.

Don't have a kayak? The kayak group usually meets at a location where you can rent a kayak. What better way to learn than with a bunch of safety minded boaters.

You will find contact information throughout this newsletter. If you want to learn about fishing in the local waters, get in touch with the fishing group. Same with Scuba, just make contact to explore what the Squadron has to offer. Feel free to attend the meetings for any group.

D/22 C&R to Little Harbor

Clarification for those who wish to arrive by boat.

First – Tommy is the right person to ask for at 813-645-2288. If it is more convenient people can email him at lhmarina@tampabay.rr.com

You must be ready to provide all of your information. LOA – power needs – water – time/day in –time/day out – draft – beam - preference Port or Starboard tie.

There are 2 Marinas and a Sea Wall that are used for dockage.

1 - For those who want to bring their boat but stay in a rented room (Harbor Side) and (Little Harbor INN) (LHI - may be sold out) they get a free slip along the Sea Wall. To get that slip however they must call the (Dock Masters) office ask for Tommy and he will assign you a slip. You must supply him with your room reservation number. The depth along the Sea Wall is 3-5 feet only.

2 – Village Marina – This is the first Marina they will assign slips to on a first come first serve basis for overnights.

3 – Antigua Cove – This is the furthest away Marina and it is about a 10- 15 minute walk to the restaurant. You will know this location because of the high rise inside storage building.

Tommy will use this Marina for back up once he runs out of slips at Village Marina. Between Village Marina & Antigua he hopes to have about 25 slips available.

They are asking that we wait till **August 1st.** to start making **slip reservations.**

4 – When heading to Little Harbor coordinates are Lat/Lon – 27°43.583'N/ 082°28.517'W
Harbor Master monitors channel 16 then will ask you to go to channel 72.

ONCE YOU MAKE YOUR RESERVATION FOR A SLIP PLEASE DROP BUD LOMASTRO AN EMAIL ADVISING HIM – suebudfl@verizon.net

D22 2019 EASTERN CARIBBEAN CRUISE

7 days: Sun, 24 February – Sun, 3 March 2019

7 days roundtrip from

Port Canaveral on Royal Caribbean's OASIS OF THE SEAS

Itinerary: Nassau, Bahamas; Charlotte Amalie, St Thomas; Philipsburg, St Maarten

GROUP PRICING* FROM \$729pp Inside stateroom from \$729pp Outside stateroom from \$849pp Balcony from \$999pp *OR TAKE ADVANTAGE OF CURRENT PROMOTIONAL PRICING TO RECEIVE EVEN MORE PERKS!

Price does not include \$114 pp taxes & port fees. Travel protection & transfers are additional. Are you ready for a whole NEW ADVENTURE?

If you've ever wanted to try one of those unbelievable mega ships-NOW is the time! The ship is a complete destination in and of itself so even if you've been to these ports before, you will still have PLENTY to see and do. The best part is you will be able to share the fun with fellow members, friends and family if you join us!

One of the other benefits is the ship embarks from Port Canaveral so transportation is much easier for both those who drive in and those who are flying into Orlando-now they can fly round trip (charter bus service will be available)

THIS CRUISE WILL BE DEPARTING IMMEDIATELY AFTER THE 2019 ANNUAL MEETING SO BE SURE TO SIGN UP NOW FOR BEST AVAILABILITY AND PRICING

PLEASE NOTE: IN ORDER TO RECEIVE GROUP BENEFITS & PARTICIPATE IN GROUP EVENTS, EVERYONE MUST BOOK THROUGH DAWN ECKHART Please email Dawn Eckhart at dawnstraveldeals@gmail.com or call (727) 403-0406 to join our group on this fun-filled cruise!

Free Evaluations, Highest Grade

Materials and Structure

In an effort to keep our facility ready for parties and health inspectors we would like to put a few teams together to work on our kitchen. 2-3 people per team would work well. Time involved would be 2-3 hours per cleaning. We would like to schedule clean-ups twice a month, dates and times are flexible. The more volunteers we get, the fewer times a team will be on the rotation.

Please send your name and contact information to me ASAP.

Feel free to form a team and let me know you would like to work together.

It's also a good way to earn Merit Mark Credit.

Thank you in advance for any assistance you can provide.

Lt. Rick Clements, Building Manager

WEEKEND BOATERS (The Weekenders)

The 'Weekenders' are members of the CCSAPS who take lunch trips by boat to various on-the-water restaurants on Saturdays (for those who can't go during the week).
Our 'follow me' trips are a great way to learn the local waters and practice safe boating.
The planning meetings are held on the Monday evening before the Saturday trips. These planning meetings offer additional boating instruction and great conversation. Come join us. Let's talk!
Please look for our meeting dates on THE BUOYS calendar.
